
Developing systems for the Quality Assurance of Higher Education Institutions' Continuing Education Programmes

- **QACEP** - project funded with support from the European Commission (Lifelong Learning Programme – Erasmus – Modernisation of Higher Education)
 - 8 Partners: six HEIs and 2 associations of universities
 - 2 years project (sept. 2009-sept 2011)
 - the Project focuses on CEPs that are a subset of all the Life Long Learning strategies and Continuing Education activities of HEIs. The principal aim was to develop a general framework for quality assurance applicable to CEPs offered by HEIs.
 - 3 phases: Comparative Analysis – Design of the framework – Pilot (testing of tools)
- Quality model for university continuing education programmes recently developed by **Swissuni – Swiss University Continuing Education in collaboration with the Swiss Center of Accreditation and Quality Assurance in Higher Education (OAQ).**
