

QACEP – FINAL LIST OF DISSEMINATION ACTIVITIES PUBLIC INFORMATIVE REPORT

First project year

October 2009 – March 2010

- **LOGO of the project and templates for PPT and documents**
- **project web site** containing description of project objectives and partners and ready to become a main tool for the dissemination of future products of the project together with promotional materials;

March 2010 – August 2010

- presentation of the project to two associations identified as crucial for further dissemination (**EUA and EUCEN**) and involvement of two representatives in the Consortium internal Seminar held in Bologna;
- presentation of the project to **two Task Forces of the Coimbra Group** (a task force was involved also in evaluating the public products of the project);
- presentation of project objectives mainly to partner internal members (detailed list sent by Partners to Coordinator) but also to other stakeholders (for example during the national conference “Innovation skills in Lifelong learning, held in Bologna at the Fondazione Alma Mater).

 - <http://www.magazine.unibo.it/NR/rdonlyres/53FD92C9-8727-40BE-9F4A-CA27F698F7DF/187215/Innovationskillsprogramma.pdf>

Second project year

October 2010 – November 2010

- Presentation “**QACEP Comparative analysis report**” at the EQAF:
<http://www.eua.eu/EQAF-Lyon.aspx>
http://www.eua.eu/Libraries/EQAF_2010/EQAF10_WGSI_paper_abstracts_1.sflb.ashx
http://www.eua.eu/events/past/2010/EQAF-2010/Presentations/Working-Group_Sessions.aspx.
- During the EUCEN conference in Lille (18 November 2010) a poster with the overall description of the project was presented <http://www.eucen.eu/Lille2010> .
- The Coimbra Group presented the **QACEP Comparative analysis report** to the Task Force in charge for an external evaluation of the QACEP product.

December 2010 – End of the project

- The first phase of the dissemination concerning the **QACEP Framework** was mainly within the Partners institution. IL3 – UB had contacts and disseminated results to Quality Assurance Agencies working in or with the University of Barcelona.
 - Partners reported about presentations in national contexts.
- ✓ UNIBO and ALMALAUREA: meetings with Italian networks involved in a national survey about opinion of Higher Education institutions students

✓ UCC

Date	Place	Dissemination activity carried out	Dissemination support produced	Target groups
		Link on UCC website to QACEP website and other relevant websites. Link established from Quality Promotion Unit web site	None required	Higher Education Institutions in Ireland & Europe
		Run workshops both internally and nationally	Funding	Higher Education Institutions in Ireland
		Hard copy of outcomes for dissemination to be sent to all Quality Promotion Unit contacts	Funding	Higher Education Institutions in Ireland & Europe
		Email shot to all Quality Promotion Unit contacts promoting outcomes and linking to website	None required	Previous quality reviewers (all senior academics in Ireland, USA and Europe)

✓ UW

Date	Place	Dissemination activity carried out	Dissemination support produced	Target groups
